ABOUT THIS PROPERTY

The Family Home That Feels Right

Rare 1,550 sqft Executive Apartment — the kind of space that lets your family breathe.

Tucked in the established heartland of Pasir Ris, this generous Executive Apartment sits just 820 metres from the Cross Island Line — giving you direct, no-transfer access to the city. At 1,550 sqft, it offers a layout that simply cannot be found in newer flats.

The home is well-positioned within a mature estate — surrounded by supermarkets (Giant, Sheng Siong, FairPrice), eateries, parks, and reputable schools. Everything your family needs is within easy reach, yet the neighbourhood remains quiet and residential.

With ~67 years of lease remaining and a sub-\$900K price point, this is one of the most competitive buys in District 18. Priced to move — arrange a viewing before it's gone.
