ABOUT THIS PROPERTY

The Space You've Been Looking For

If you've been searching for space, this is the one that feels different the moment you step in.

Located at Hougang Avenue 6, this rare Executive Maisonette offers the kind of generous layout that newer flats simply cannot replicate. A true 2-storey home with distinct living and private spaces — ideal for families who value comfort, separation, and room to grow.

Set within a mature estate, you're just minutes from Hougang MRT, daily conveniences, eateries, and reputable schools. Everything is within reach, yet you still enjoy the privacy and scale of a larger-format home.

Executive Maisonettes in this stack rarely come to market. If you value space and long-term value, this is worth a viewing.
